What we deliver

Disability-inclusive creative skill sessions suitable for self- and plan-managed participants. Sessions focus on community participation, routine, communication and practical skill-building.

Programs (examples)

- Stencil / Sign Basics (vinyl cut/weed/install — non-advertising samples)
- Letter Lab → Zine (design, layout, accessible pop-up)
- 3D Modelling (air-dry clay → designer toys)
- Urban Landscape painting (seated stations)

Access & Safeguarding

- Seated stations, adjustable heights, adaptive grips, quiet space, low-odour materials.
- Blue Card/WWCC current. RAMS/Accessibility Plan provided. Participant consent and incident forms on file.

Who can use this

- Self-managed participants: pay standard rates and claim direct.

- Plan-managed participants: invoices go to plan manager; rates must align with the plan manager's accepted pricing and the participant's plan goals.

Invoicing essentials

- Include participant name/NDIS number (optional on invoice if preferred), date, duration, location, brief outcomes/activities, and agreed rate.
- Keep session notes on tasks attempted, supports used, and progress.
